proposed that grant to the Planters as grant is now promised ~~that the condition~~ in addition till a dispensary is opened in the Vicinity and if the Medical Fund cannot the required amount to open a dispensary. It is clear from the Kents' letter that the planters have not paid anything so far and it is very likely that they may not pay anything in the future while Govt would be committed to this definite grant. We shall impose by fiat conforming to the conditions They have had the services of the Jaggayya Nayak for they are likely to draw the grant in aid without similarly conforming to the other conditions imposed by fiat in future as well.

(1) 39) It is therefore suggested that the grant should not exceed 80 Rs or 50% of collection from planters whichever was less being spent hitherto by fiat and also 50% of planters' contribution will be payable only if after the amount required for the building etc is actually collected, and the contribution of planters is actually paid. The other conditions about treatment of the poor etc should be included in the draft order and the grant may be temporary for a year or till a dispensary in the vicinity is opened

46) Submitted to His Highness.

A Sub Assistant Surgeon, First Class, was, on the recommendation of the Senior Surgeon, deputed with effect from 19th September 1914, to render medical aid to the Planters of the estates in the neighbourhood of Kalasa, subject to certain conditions. As these conditions were not acted up to by the Planters, it was ordered that the Sub Assistant Surgeon should be withdrawn (Government Order No.1692-6/Med. 85-14 dated 28th August 1915).

2. At the instance of the Senior Surgeon, the Honorary Secretary to the Kalasa Medical Fund was, however, informed that the question of sanctioning a reasonable grant-in-aid to the Fund would be considered after sufficient money had been raised by the Planters to pay a properly qualified medical man and to equip a dispensary for the benefit of the Planters and their coolies.

3. Mr.W.H. Reed who has been in correspondence on the subject on behalf of the Planters wants a definite assurance whether Government are willing to sanction a grant to the Fund, before advertising for a qualified medical man and undertaking the construction of suitable buildings for locating the Planters' Dispensary and for housing the Medical Officer in charge.

Paper under discussion

Sir,

I am in receipt of Govt order No 1692-6. Med for which I thank you. We are prepared to start our Medical Fund as soon as Govt sanctions our request for Rs 1001-.

I enclose a statement showing receipts and expenditure. If Mr Kent joins the Fund we will then have more money to spend on medicines, & if necessary for purchase of Instruments etc.

I am prepared to build a proper dispensary and quarters in Kalasa provided the members of the Fund will guarantee at least five years rent, this they have promised to do. I have bought a site in Kalasa & will start work as soon as Govts reply is received.

While building operations are in progress a house in Kalaa can be rented for the Medical Officer to live in -
An early reply from Govt will oblige as we are without proper medical aid, and advertising for a doctor, building etc, will all take time -

Yours Affly

Office of Senior Surgeon, Mysore Govt.

Dated, Bangalore, Sep. 20 1915 191

Medical 33-15-5.

From

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,
Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

The Secretary to the Government of
H. H. the Maharaja of Mysore,
General Deptt., Bangalore.

Sir,

In reply to your docket No. 2251 Med. 33-15-4 dated 14th July 1915, I have the honor to state that the provision of facilities for medical aid to the cooly classes round about Kalasa deserves to be regarded as a measure for improvement of that part of the malnad.

2. The charge on account of Grant-in-aid to Kalasa Medical Fund, if sanctioned, may be ordered to be met from the Malnad Improvement grant placed at the disposal of the Kadur District Committee.

3. If this cannot be done and if the charge has to be met from the Medical Budget, the grant-in-aid may be ordered to take effect from the next official year, provision therefor being included in the next year's budget, as no funds are available in the current year's medical budget to meet the charge in question.

I have the honor to be,

Sir,

Your most obedient servant,

T V Arumugum

Senior Surgeon.

Sir, Medical 33-15-9 Mon 9.11

In reference to Govt. order No. 1692 dated 18th August 1915, and my reply D/ 8th Sept/15 :—

I shall be much obliged if you will let me know at an early date whether Govt. are prepared to make a grant of Rs 100/- per annum towards the medicine needs of the Europeans and their employees living in the vicinity of Kalasa.

We have been several months now without sufficient medical aid as the Asst. Surgeon at Kalasa cannot attend to his own duties and at the same time ride miles & miles to attend to our sick maistris & coolies.

Government in their deliberations at the Darbar recognized that the

Mulanjad should have special attention
as regards medical aid etc - By making
this grant we are able to give medical
aid to some 2000 odd persons, thus
relieving Govt of any extra work which
Service would be thrown on the dispensaries.

Yours faithfully

III. Read letter No.2657/Med.33-15-7, dated the 29th September 1915, from the Secretary to Government, General Department, calling for the opinion of the Committee as to their willingness to make from the Malnad Improvement Funds a grant of Rs.100/- per mensem to the Kalasa Medical Fund.

Resolution: As a fully equipped dispensary is to be established very shortly at Balur in addition to the Government Dispensary at Kalasa, the Committee do not find their way to recommend the grant of Rs.100/- per mensem to the Kalasa Medical Fund. Further, the funds at the disposal of the Committee do not permit of any provision being made for this grant as the -- allotment for the current year is very limited.

Asst. Secy to Govt.

Dear Sir,

I am in receipt of your D.O. No. 4092 Med 33-15 of Bangalore 4th Dec/15. The points on which you ask an explanation have already been dealt with in my letter dated 8th Sept-/15. To save delay I write again your queries now:-

(1) Subscriptions on a 9 pie basis bring in Rs 131.6.3 per mensem - The bulk of this is still paid to the Asst Surgeon at Kalasa who periodically visits the Estates.

(2) (a) The amount subscribed is not sufficient to pay a properly qualified man - If this had been so we would not have asked Govt to help us with a Grant-in-aid of Rs 100/-

(b) A dispensary cannot be run for reasons stated above -

With the grant-in-aid from Govt we could get a fully qualified man and at the same time run a dispensary -

III In my letter of the 8th Sept- I have already stated that as soon as Govt sanction the grant-in-aid I will begin building operations at once in Kalasa - Work should be begun immediately as our latone goes away in March - I cannot spend two or three thousand rupees on a dispensary & doctors quarters unless I know for certain Govt are willing to grant our request - No medical man has been engaged as the present subscriptions are not sufficient for us to engage a properly qualified doctor - Unless Govt definitely state that they will make the grant we cannot advertise -

I hope Govt will expedite the matter as our needs are pressing -

Yours faithfully

Sir -

Thanks for your No. 6798/Med 33-15 D/11-3-16
On behalf of the members I am requested to thank Government for their grant-in-aid of Rs 80/- per annum to the Kalasa Medical Fund -
The work on the dispensary is being pushed on & I hope to have the building ready by the 15th April - I have advertised for a Doctor & Compounder, (Copy of advt enclosed) & will have a stock of medicines in by the 15th June.
As we are building only a Dispensary in Kalasa may I request Govt to Confirm their order No 4954-6 Med 81-14 D/28th Dec/14. regarding the use of the in-patient ward under the present circumstances -
As regards the opening of a dispensary

at Balur - The Work Mysore Planters Associ-
ation requested Govt to open a Dispensary
at Wadykhan on the Balur - Nagundi
road, and not at Balur - If built
at Wadykhan it would be over 24 miles
